Hello!

At Demo City Loans, we examine your escrow account at least annually to make sure there is enough money in your account to cover your tax and/or insurance payments. This review accounts for any increases or decreases in your taxes or insurance that can result in changes to your payment amount. The following outlines your actual escrow account activity since your previous disclosure or initial disclosure and the anticipated activity for the next 12 months.

To view differences between your current payment and new payment, please refer to Section 1 below. To view changes in your escrow account, please refer to Section 3 of this statement. Section 2 includes changes that are anticipated over the next 12 months.

Section 2 - Anticipated Escrow Activity

This section displays information regarding your anticipated escrow activity for the next 12 months.

ANTICIPATED ESCROW BALANCE \$318.66 – MINIMUM REQUIRED BALANCE \$256.66

To ensure your account maintains enough money for future tax and insurance payments, a cushion is maintained on your loan when applicable, to help avoid a negative balance in your escrow account. This cushion may include up to two months' worth of your base escrow payment to cover increases in your tax or insurance payments. Your escrow balance should not fall below \$256.66, which is your cushion amount and required balance. (Mortgage insurance is not included in your cushion calculation.)
