IMPORTANT MESSAGES

Effective January, the Federal Universal Service Charge (FUSC) increased from 3.252% to 3.816%. FUSC is our charge that recovers government mandated costs and is subject to change each calendar quarter based on an FCC assessment rate. Recently, the Regulatory Fee increased by 5 cents per pager. These surcharges are our charges, not taxes.

Thank you for your prompt payment. We appreciate your business.

A "Late Payment Fee" will be assessed on the past due balance in the amount of the lesser of: (a) the maximum amount allowed by law or (b) the greater of: 1.5% of the unpaid balance or current minimum Late Payment Fee. Billing errors are not waived if Sun Messaging is not notified in writing within 60 days from the Invoice date.
